

WiFi Tribe's COVID Guidelines at a Glance

Our Safety Precautions

A **negative PCR test for unvaccinated members** is required to join a Chapter

We follow all **local guidelines & regulations first**, then our internal policies

No guests are allowed on Chapter premises

Members should avoid venues with **50+ people**

If there's a COVID case while on Chapter

All members

If symptomatic, immediately isolate & administer a PCR test

Vaccinated members

If asymptomatic, no isolation or PCR test is required

Members recovered from COVID within last 90 days

If asymptomatic, no isolation or PCR test is required

Our Booking Policies

Health or travel insurance is required to join a Chapter

Associated COVID costs are covered by members

Flexible cancellation & refund policy

Our Commitment

Do the right thing

Help protect hosts, members, and local communities

Be transparent

Keep members informed of our latest policies and guidelines

Smooth operations

Update COVID guidelines as the CDC and WHO publish new information

Set an example

Live by our values to build trust between members & local communities
